Medicines

Whitchurch Pre-school Nursery does not *usually* administer medicines which have not been prescribed by a doctor, dentist, pharmacist or nurse. We will allow parents / guardians to bring the following medication into the club for administration with prior consent (there must be a health reason to do so):

- All prescribed medicines (with original box / container, with prescription label displayed)
- Liquid paracetamol/ibuprofen

Please note that all medication must be clearly labelled with your child's name on it, which we will keep in a secure place on your behalf. Each child will have a **medicine form** which you are required to sign before AND after administration and records all relevant information.

Administration of emergency medication:

The nursery will also keep Calpol on the premises as we feel this could aid a child's pain and fever relief. The Officer / Deputy Officer in Charge will only allow administration the above medication in the appropriate dose if in their opinion there is a health reason to do so (e.g. extreme high fever may cause a febrile convulsion in young children).

I can confirm my child has previously been given infant paracetamol/ibuprofen medication, and has had NO allergic reaction to it.
